

WHITE WALTHAM (EGLM)

TEMPORARY RUNWAY CLOSURES AND TAXI ROUTES

Local information for WLAC members and operations. Not an AIP amendment. Always check current NOTAM.

Effective: 28 October 2026
Until further notice

KEY

RUNWAY CLOSED

03/21 – resurfacing works, bad ground
07L/25R – worn surface
Intersections are not hatched and remain open.

BAD GROUND

Do not taxi on hatched areas.

Arrival RWY 25L Taxiway

Vacate 25L to the north around the end of 07L threshold. Taxi east along the northern edge of 07L, crossing the 21/03, then cross back around the 25R threshold to Aircraft Parking. Keep all orange flags on your right.

Departure RWY 07R Taxiway

Route to the north around the end of 25R threshold. Taxi west along the northern edge of 25R, and around the end of the 07L threshold to line up. Keep all orange flags on your left.

Departure RWY 25L Taxiway

Route from aircraft parking to the threshold of 25L. Taxi around orange toblerone to avoid routing over RWY 21/03 other than at the intersection.

Arrival RWY 07R Taxiway

Extend landing roll and then vacate right after crossing 21/03 and return to aircraft parking.

RUNWAYS IN USE

07R/25L

NOTES

Taxi only on the routes shown and through the open intersections.
Taxi at walking pace – mud, ruts and uneven edges may be present.
Avoid high power and rotor wash over seeded areas.
